

UK – Schools in the South of England

Bexhill College is a dedicated Sixth Form College with a long history of excellent student satisfaction, as well as an exceptional A Level pass rate of 99.4% and successful student progression to many of the top UK and worldwide universities. This college boasts excellent academic, sports, media and arts facilities. All facilities are on the same site which means there is no travelling to different locations, and students have everything that they need right on their doorstep!

Brockenhurst College is home to a well-equipped, modern, university-like campus. This college is located in the picturesque New Forest National Park in the south of England and is surrounded by ancient woodland and free-roaming animals. This excellent college has a proud history of teaching and learning excellence that spans more than 100 years, recording consistently high exam results in a range of academic, vocational and higher education courses.

Bournemouth & Poole College is one of the largest vocational colleges in the UK, and one of the country's leading centres for university preparation. The college has recently been awarded the prestigious "Beacon Award" for their support for international students. Located on the desirable south coast, close to the seaside, this is a popular college for both local and international students!

Cardiff & Vale College is one of the largest colleges in the UK. This is proudly a global, innovative and ambitious college located in the capital city of Wales. This popular college offers outstanding facilities across all campuses, including a state-of-the-art art city centre campus, meaning that students get to study right in the heart of the city. Cardiff & Vale College has an excellent range of both academic and vocational subjects for its students to choose from.

Chichester College's mission is to "change lives through learning" - showing that it is dedicated to educating its students to a high standard. This fantastic college has achieved an Ofsted rating of "outstanding" in both 2014 and 2020. With over 40 years' experience of welcoming international students, the Chichester College's undoubted success is reflected in the many awards it has secured, such as the Queen's Anniversary Prize for International Student Support.

East Sussex College is home to three campuses, the largest of which is in Eastbourne. Home to several specialist buildings — the construction & engineering workshops, art & photography studios and motor vehicle workshops — this college is excellently located and highly rated.

A very popular college with fantastic campuses on the south coast of England, **East Sussex College Hastings** offers a wide range of world-class learning facilities! This desirable college has been welcoming students from across the world for over 30 years and provides high quality teaching in a caring and relaxed environment. At this college, students benefit from a wide-range of one-year course options.

Based in the beautiful area of southeast England, **East Sussex College Lewes** has 3 campuses - including this one in the historic town of Lewes. East Sussex College Lewes provides a high-quality learning environment with excellent A Level pass rates and many students progressing to Oxford, Cambridge and other top universities. A wide range of options are available for one-year courses.

Havant & South Downs College is a centre of excellence offering a wide range of A Levels with a 99% success rate. Staff are committed to providing students with the highest level of teaching and learning possible, and whatever their nationality, background or aspirations, all students are supported to ensure they reach their fullest potential.

Itchen College is a vibrant and modern college located in Southampton, down on the south coast of England. The college is embedded in its local community, with a national reputation for their sporting prowess. This popular college has over 25 years of experience working with international students, providing a warm environment to learn and flourish.

Portsmouth College has a great reputation for being an inclusive and innovative college, attracting students from all over the world as well as the local area. The college offers a wide range of subjects as well as many opportunities to get involved in college life. This college prides itself on holding global citizenship at the heart of its curriculum and culture. Students are prepared for life after college, with a focus on enhancing both professional and personal skillsets.

Varndean is a truly exceptional sixth form college, with a consistently outstanding academic track record. The campus is set on a lovely spacious green area with stunning views of the city of Brighton and of the sea. This college has a real community ethos where students thrive and where student happiness is at the heart of everything they do. Varndean College recently opened a STEM Centre to inspire the next generation of engineers, mathematicians and scientists.

Weymouth College is a popular sixth form college located in Weymouth, in the south of England on the beautiful Jurassic Coast. This highly rated college features a dedicated A Level centre with a sixth form common room and study rooms. Weymouth College is also home to specialised science laboratories as well as art and photography studios, showing that it prides itself on its excellent facilities for its students!

Worthing College is an outstanding institution where teaching, learning and student success are second to none. The college also offers students access to unique academies designed to stretch and challenge them to develop their skills and broaden their experience in the various disciplines — including Performing Arts, STEM (Science, Technology, Engineering, Maths) and Visual Arts.
